

FORMULA 1

2026 SEASON

Race Calendar & Key Dates

A Beginner's Guide to Formula 1

Pre-Season Testing

Three Rounds of Official Testing Before the First Grand Prix

Three rounds of official pre-season testing take place before the first Grand Prix, giving teams their first chance to run the revolutionary 2026 cars on track.

Test	Circuit	Location	Dates
Test 1	Circuit de Barcelona-Catalunya	Barcelona, Spain	Jan 26 - 30
Test 2	Bahrain International Circuit	Sakhir, Bahrain	Feb 11 - 13
Test 3	Bahrain International Circuit	Sakhir, Bahrain	Feb 18 - 20

Testing Format

Each test day runs two 4-hour sessions (morning and afternoon). All 11 teams participate simultaneously. Tire testing for Pirelli is integrated into the schedule.

Key Dates & Notes

Madrid GP Debut

Round 16 marks the inaugural Madrid Grand Prix, held on a new purpose-built circuit in the Spanish capital. Madrid joins the calendar alongside Barcelona, giving Spain two Grands Prix.

Zandvoort Final Year

2026 is the final season for the Dutch Grand Prix at Zandvoort. The race has been on the calendar since its return in 2021.

Season Span

The 2026 season runs from March 8 to December 6, a 39-week season covering 24 races across 21 countries on 5 continents.
